**READING COMPREHENSION**

**F/ Read the text and decide if each of the statement is T (true) or F (false).**

Across Central Paris, at least 120 people died in gun and bomb attacks. They started at around 9:30 p.m. on Friday night. People heard explosions at a stadium in the north of the city. An hour later, attacks at a bar and a restaurant happened around 5 miles from the stadium. Fourteen people died in those two incidents. The deadliest attack took place at a concert hall around 11 p.m. A concert was taking place when four gunmen entered the hall and started shooting into the crowd. More than 80 people died. These are the deadliest attacks in Europe since the 2004 Madrid bombing.

1. Lots of people died in Paris because of a terrible plane crash.   **T / F**
2. Terrorists did their attacks at 3 different places in Paris.   **T / F**
